## **MOOSE TROPHY – Sat 15<sup>th</sup> August – Oulton Park**

**Also there is the opportunity for extra races at the above meeting and the final Oulton Park meeting on Sat 12<sup>th</sup> September**

The 2009 Moose Trophy is being held at Oulton Park on Saturday 15<sup>th</sup> August at Oulton Park.

This meeting already features the Post89 classes of the Creative LED Solutions Club Formula Ford North West Championship. Due to the lower than normal entry numbers that are being achieved in Post89 this season, the entry has been opened up to include a Non Championship Pre90 Trophy race to run concurrently \*

The entry fee for this is the standard £200.

Any drivers, whether they are Post89, or Pre90 who wish to additionally enter the Moose Trophy race – and who will also be racing in the Post89 Championship [inc Pre90 Non Championship Trophy race] – can enter this additional race for £100.

This is a total of £300 for two qualifiers and two or [or entry levels dependent] three races.

Any drivers who only want to contest the Moose Trophy can do so for the standard £200 entry fee.

- This gives the Pre90 competitors the opportunity of getting in another race at Oulton Park
- The same thing will apply in reverse on Saturday 12<sup>th</sup> September, when it is intended to run a Post89 Non Championship Trophy race concurrently with the Pre90 Championship race for those drivers not travelling to Mondello Park for the National rounds.
- Delayed starting grids for the Non Championship races will be considered closer to the events.
- A separate Entry Form for the Moose Trophy will be available on the websites early next week.
- If anybody is interested in putting up some prize money for the Moose Trophy, please contact me. Those who knew Moose will remember just how much he worshipped money.
